

Orientation to the Addictions Field

April 11, 2012

The "Orientation to the Addiction Field" is a new service the Board is offering to answer your questions regarding the application, training and testing process. This will be your chance to ask questions and get, in most cases, an immediate answer. The sessions will be held at the Certification Board, Inc. office located at 1200 Tices Lane, Suite 206, in East Brunswick New Jersey. The session will start promptly at 9 AM and end at approximately noon, depending on the amount of questions from the attendees. **Space is limited to 10 for each session.**

Only those who are pre-registered will be allowed to attend. We will only contact you if the class is being cancelled. You may check with me via rich@certbd.com if you need confirmation. Office directions on home page certbd.com/directions.asp.

Later courses will be added as necessary. Please fill out registration completely and mail to our office. The fee is required as we are a non-profit and receive no government funding. Registrations are not accepted without payment. Your cancelled check is your confirmation.
